

Echoes of Mercy

A PUBLICATION OF LUTHER HOME OF MERCY, WILLISTON, OHIO

VOLUME LXXXI

HOLIDAY 2013

NUMBER 4

At Trinity Lutheran Church in Bryan, Ohio there is a ministry called "The Bed Brigade." It started when a small group of men heard about a young child in need of a bed; and so they built one – gathering materials from a lumber yard, a hardware store and other places where bed-makings could be found. The men enjoyed the job, and found it was little enough to do for a child in need. Soon, however, they learned of other children sleeping on the

floor, making do without a bed; so they kept on building. They're still working at it, and many others from the congregation have become involved. In the past two years, The Bed Brigade has made bed-time better for more than 400 children.

Here at Luther Home of Mercy, this story reminded us of another told long ago by our Gospel writer, Luke. A census had been decreed, and everyone was required to register in the city of their ancestors. For Joseph and Mary, this meant a journey of about ninety miles from Nazareth to Bethlehem – three days travel, and probably more for a young woman "great with child." Because of the census all roads were crowded, food supplies were scarce and costly; and weary pilgrims filled every inn along the way. When the young couple arrived in Bethlehem, they found shelter in a stable, where Mary gave birth to her first-born child. There being no bed, Joseph, a carpenter, made do with a manger to fashion a resting place for the baby, Jesus.

"Away in a Manger" is one of our favorite songs of Christmas. It's an old hymn, thought to have originated in the 1800's with Pennsylvania Lutherans – who attributed the work to Martin Luther. The words are gracefully simple, pure and easy. They tell the story, and close with prayer. Old words and timeless, they could have been spoken by Luther. And they might have been repeated just last night by someone from The Bed Brigade: "I love thee, Lord Jesus. Look down from the sky; and stay by my cradle till morning is nigh."

An Enjoyable Fall Fest!

Mary enjoyed going to all the activities with the assistance of volunteers, Phil and Audrey Milbrodt.

Donna and her mother enjoyed the events of the day!

Combine a beautiful sunny fall day, a meaningful outdoor worship service, animals to pet, enjoyable games and crafts, family & friends gathered together, a delicious meal and they add up to a wonderful Fall Fest on September 22! The weather cooperated this year and all activities were held outdoors under sunny blue skies with just a touch of coolness in the air. After worship, laughter filled the air as family members and friends joined in the fun of games, face painting, and horses, dogs, and a goat waiting to be petted. Thanks to all the staff and volunteers who made this great day possible filling it with many lasting memories!

Jesse and Bob had a good time petting Charlie the goat!

An inspiring message was given by Pastor Dale Kern during the worship service.

Barbie and volunteer, Tim Titgemeyer, watched Buster the clown make a balloon animal for them.

New “Schleicher Homes” Under Construction

A grant from the Department of Housing and Urban Development (HUD) has made possible additional “Schleicher Homes” for individuals living with developmental disabilities.

Each home will feature quality construction with approximately 3,000 sq. ft. of barrier-free, fully-sprinkled living space for four individuals with special needs. The homes are presently under construction in residential developments located in West Toledo and Oregon, Ohio. Pictured here is a new home under construction at Chicory Drive, off East Angola Road in West Toledo.

The total grant will provide Mercy Outreach Ministries V with \$1,581,000 for capital construction; and, in addition, will provide

qualifying occupants a three year rental subsidy contract totaling \$153,000. It is expected that this project will be completed and ready for occupancy by September of 2014.

Since 2003, our Mercy Outreach/Schleicher Homes program has developed a total of 14 quality homes located in residential areas of Lucas, Ottawa and Wood Counties. By this time next year, these homes will provide quality accommodations and 24/7 services for fifty-six individuals with special needs.

Lutheran Men in Mission Walk the Mac

Once again our Lutheran Men in Mission of Northwest Ohio sponsored a Labor Day walk across the Mackinac Bridge to raise money for Filling Memorial and Luther Home of Mercy. The five-mile span crosses the Straits of Mackinac, connecting Michigan’s Upper and Lower Peninsula between Great Lakes Michigan and Huron. Pictured here at the Finish Line is Dick Noll with Dutch Rahe.

The Men worked throughout the summer, recruiting walkers, and sponsors willing to pledge support for those walking. Twenty-nine men and women participated in the walk – ages ranging from toddler to grandparents. Many others, including some congregations, participated as sponsors. This year’s event raised more than \$7200 for our Lutheran Ministries of Mercy.

Over the past four years, our Lutheran Men in Mission have raised over \$23,000 for our Lutheran Ministries of Mercy. Event Coordinator, Richard Straub, advises: “We’ve already started planning for next year. We want to get more people involved in “Walking the Mac for Ministries of Mercy” on September 1, 2014!”

Sites Provide Varied Activities

Janet enjoys many various activities at Crossroads.

Four Adult Day Habilitation Sites are sponsored by Luther Home of Mercy offering unique and specialized programs for those attending.

The Crossroads site is located in DeVeaux Shopping Center in West Toledo at the corner of Douglas and Sylvania. Kellie Snyder supervises the five staff members who work with the 12 men and women who come to this site. Sensory-based activities are planned based on the interests and skill levels of those participating. Some enjoy coloring or puzzles, while others enjoy doing various arts and crafts projects. The staff plans each week's activities based on a theme, such as an approaching holiday or season of the year. The ladies love to have their fingernails polished and enjoy being pampered.

Emmaus Community Center, located at the corner of Corduroy and Stadium Roads in Oregon, opened in August 2009. Five staff members are employed at this site with Joanne Allred handling supervision duties. Currently 34 men and women attend this site on a regular basis. Many exciting activities await those attending including learning job and daily

living skills, shredding responsibilities, cooking adventures, and janitorial duties. Off campus trips are planned for most days which include shopping, sporting events, and other area places of interest. A large room offers opportunities for social gatherings, such as movie parties, dances, picnics, and other events designed to increase social interaction with each other.

In June, 2012, Genesis Community Center opened its doors on Woodville Road in Northwood. Supervisors, Kim Auxter and Christine Rucki, oversee the activities and the 7 staff members who work there. Daily attendance averages 30 men and women, who are offered a variety of activities geared to their interests, including many off-campus trips...horseback riding, swimming, shopping, exercise facilities, and eating out. Many on-site activities are also planned including arts and crafts, helping with imprinting t-shirts, janitorial, and shredding.

The latest site to open in September of this year was Portage Trails on State Route 51 near Elmore. This site is smaller and has openings for nine men and women. Supervisor, Lori Butts-Vogelbacher and her three staff members have all been specially trained so they can handle persons with significant medical issues. Varied activities include making colorful holiday crafts, games, and listening to all types of books of interest read to them. The staff has discovered different items of interest and developed themes based on them.

All of these day hab sites provide meaningful activities for all attending plus the opportunity for forming lasting friendships.

Laura and Sandy enjoyed making a fairy garden at Emmaus.

Staff member, Alanea, works with Allan on a craft project.

Katelynn and other members of the Northwood High School National Honor Society helped Nino and the rest of the clients with the Halloween party at Genesis Community Center.
