Lutheran Men in Mission
“Bridge the Gap”
Fundraising Campaign
to Support
Lutheran Ministries of Mercy

For many years *Lutheran Men in Mission* of Northwestern Ohio solicited walkers, sponsors, and donations for the annual “Walk the Mighty Mac” Bridge Walk. Over \$42,000 was raised to support *Filling Home* (Napoleon), *Luther Home of Mercy* (Williston), and *Lutheran Social Services of Northwest Ohio* (the three agencies under the umbrella of *Lutheran Ministries of Mercy*). The funds help bridge the gap between budgeted expenses and additional needs of the residents and agencies.

The *Bridge the Gap* fundraising campaign was initiated in 2020 due to a decline in individuals walking the bridge on behalf of Luther Men in Mission. The transition to the campaign was made easy when the pandemic caused the Bridge Walk to be cancelled. The campaign raised \$2500 for *Lutheran Ministries of Mercy*, the leadership body of the three agencies.

Lutheran Ministries of Mercy provide over 15,000 meals for hungry families; provide supportive services for hundreds of individuals with intellectual and developmental disabilities, and provide hope for thousands more through treatment for mental illness and addiction.

Help us by helping to *Bridge the Gap* between *brokenness* and *holiness* as the agencies work to strengthen body, mind, and spirit, and to help each individual realize their full potential in life, by tailoring services to meet the personal needs of others. Thank you in advance for your generous donation!

The 2021 *Bridge the Gap* campaign kicks off July 15, and runs through October 15. Checks are payable to: Lutheran Men in Mission, with *Bridge the Gap* written on the memo line. Mail donations to: Richard Noll, 2474 Township Road 159, Cardington, Ohio 43315. Your gift will help enhance the lives of many.
